

More questions for parents/guardians to consider:

1. Do you have internet access at home? (In the event of remote learning again, we need a number.)
2. Would you participate in a Google Classroom training if I set one up for just JES parents? I can do that, I just need to get a gauge on how many would participate. I know some of you did not get in on the Axiom sessions before they filled up.

Please PM me your answers on Facebook or email them to me at melissa.tenney@union103.org. Thank you.
